

## *Our venue...*

**Everyman Newcastle** has gone through several transformations since the building's original construction in 1837 - including a department store, tea rooms and most recently "Legends", a famous nightclub where paparazzi could be found snapping footballers falling out of its doors in the early hours. Now guests step through the discreet doorway to a rich timber-lined entrance and down a festoon-lit walkway to the welcoming lounge bar and auditoriums. The lounge bar is an open, warm and inviting space with walls lined in walnut panelling, velvet covered seating and parquet flooring.
