

## *Our venue...*

**Everyman Bristol** was built in 1920 – 1927 by James Henry LaTrobe and Thomas Harry Weston. Formerly Whiteladies Picture House, this stunning Grade II listed venue has been lovingly restored and has kept many of the beautiful building's original art deco features. The cinema really is something to behold and is the perfect setting for film premieres, private screenings and corporate away days. It has been a hugely popular venue since it first re-opened its doors in 2016 and has hosted many exciting events.
