QUESTIONS?

What is more people attend than I planned/paid for?

Your final bill will reflect the appropriate base rate for day-of attendance.

What is less people attend than I planned/paid for?

You will not be discounted or refunded if less people attend than planned.

How do I know how much a film costs to play?

We will find out for you! Films come from many different distributors and can range from \$150-\$500 depending on the selection. We can guide you to alternatives if your film selection is out of budget.

How far in advance do I need to reserve my date?

The sooner the better. Our film schedule is planned approximately two months in advance, and it will be easier for us to secure your date with time to plan around it.
